**INDIANA UTILITY
REGULATORY COMMISSION**

You are hereby notified that on this date, the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On February 4, 2005, the Indiana Office of Utility Consumer Counselor ("OUCC") filed its complaints and requests for Commission investigation of Micronet, Inc. and H.T. Teleservices ("Respondents") under I.C. §§8-1-29-5 and 8-1-29-5.5.

On July 22, 2005, the OUCC filed its *Unopposed Motion for Extension of Time to Respond* [sic] *to Motion to Dismiss and for Extension of Procedural Schedule* ("Motion.") In its Motion, the OUCC stated that Respondent had agreed to allow the OUCC additional time within which to respond to Respondent's *Motion to Dismiss*. In addition, the OUCC stated that its previous prefilng date was set to be July 22, 2005. However, the OUCC asserted that the parties were still attempting to resolve and complete discovery, therefore making the filing of testimony difficult. Therefore, the OUCC requested a ten (10) day extension of its response date, and an additional extension of the procedural schedule, as to be agreed between the parties.

The Presiding Officer, being duly advised in the premises, hereby finds as follows:

The OUCC's Motion is GRANTED as follows. The OUCC is granted an additional ten (10) days to respond to Respondent's Motion to Dismiss, and shall file its answer on or before August 4, 2005.

As to the procedural schedule, the parties shall submit a proposed schedule in writing to the Commission, or be prepared to hold an informal discussion regarding that schedule on Thursday,

July 28, 2005, at 4:00 p.m., in Room E306 of the Commission, immediately following the prehearing in Cause No. 41546 SC 07.

IT IS SO ORDERED.

Date: July 25, 2005
